

Mobberley Parish Plan

By You, For You.

General & Youth Surveys

Introduction

We all have something to say about where we live or work and this is your opportunity to express your views. By completing this Survey, you can make a real difference to our future in Mobberley.

These Surveys are for everyone living and working in Mobberley. Once completed the Survey responses will be analysed and the main issues discussed with you at open meetings: dates to be arranged. From these a Mobberley Parish Plan will be prepared, which should represent the shared vision of all in Mobberley. The policies and actions contained in the final Plan will inform Mobberley Parish Council and other local agencies about the things we value, where we seek improvements and help secure the necessary funding.

The General Survey is designed for completion by one or two adults, for three or more please see below. For those between 11 and 17 a separate detachable survey starts at page 14. The views of children attending Mobberley Primary School will be gained through school projects. If your home is used for business purposes, or you have separate business premises in Mobberley, please ensure you also complete the Business Survey that will be posted to you. Additional copies of all Surveys can be obtained from the Co-op, downloaded from www.mobberleyparishplan.info, or by ringing 01565 873016 and leaving a message. For anyone wanting further information or help in completing the Survey please ring the same number or call in for a coffee at one of our drop in sessions to be arranged at The Rajar Building each Wednesday during May.

Space is provided at the end of each Survey for additional thoughts or suggestions.

Please return your completed Survey before 11th June 2008 in the prepaid envelope provided or leave it at the Co-op or The Rajar Building.

Any information you provide will be treated in confidence.
